

RESIDENTS ON PROBATION OR PAROLE

- Never Alone Recovery will be in contact and have open communication with residents' probation or parole officers. Supervision constitutes as any program, agency, county, state or federal entity, mental health group, non-profit, etc. supervising the resident in another capacity outside of Never Alone Recovery. These entities may include, but are NOT limited to: The department of Probation & Parole, TDOC (TN Dept. of Corrections), CAPP or Enhanced probation, Federal probation, Recovery court(s), DRC (Daily Reporting Center), YWCA, Helen-Ross McNabb, Cherokee Health, Frontier Health, etc.
- Residents on supervision are required to sign a Never Alone Recovery "authorization to release information" so communication may take place between Never Alone Recovery and the supervising agent or entity as it relates to the resident. This form is signed during admission.
- Supervision will be notified immediately, or if not immediately reachable, they will be notified within 48 hours of a positive drug screen result, a serious rule violation, an accident, an arrest, or if any other serious or notable infraction takes place. This notification will be done in writing and can be followed up with phone contact.
- Supervision will be notified by phone prior to program discharge from Never Alone Recovery. Discharge summaries should be done in writing and submitted to supervision within 48 hours of discharge.
- Residents on probation or parole are required to sign an 'Authorization for Release of information' form for information of their status to be shared.
