

SEARCH FOR HAZARDOUS ITEMS

NEVER ALONE RECOVERY seeks to ensure the safety of all residents and to provide a safe environment conducive to recovery from addiction.

NEVER ALONE RECOVERY reserves the right to search residents' belongings at any time for illegal substances and/or hazardous material; this includes during initial entry.

Residents agree to periodic searches for illegal substances and/or hazardous materials.

If a resident is found to be in possession of an illegal substance and/or inappropriate or hazardous item(s) there will be a change in living environment.

Hazardous and/or inappropriate items can include but are not limited to:

- Illegal drugs (cocaine or derivative, heroin, methamphetamine, marijuana, etc.)
- Prescription medication (opiates, morphine, adderall, xanax, gabapentin, etc.)
- Alcohol
- Paraphernalia
- Weapons or anything that can be used as a weapon (sharp, blunt/heavy item)

*****Please note: If a change in living environment is the result for any of the reasons listed above, the resident agrees to remove themselves from the premises immediately. Under NO circumstance is anyone permitted to remain on the premises if it is determined they are under the influence of or in the possession of ANY mood-altering substance.***

I, _____, have read the above and I understand being in possession of these items at any time will result in a change of living environment.
